PROFESSIONAL EXPERIENCE

Technical Product Manager | WIPRO

Nov 2022 - Present

- Own end-to-end product lifecycle management, integrating AI Copilots and Lean concepts to streamline sprint workflows, manage product requests, and maximize team velocity.
- Orchestrate complex deployment packages and execute service change requests, utilizing Azure DevOps for strict Pull Request (PR) management, continuous integration, and seamless payload processing.
- Configure and govern commercial offers across multi-tenant enterprise ecosystems (Office 365 Global, Windows Intune, Dynamics CRM, ERA, NAV) utilizing the Cayman Tool.

- Lead Databranch configurations and execute intricate pricing group updates to ensure accurate daily increments in commercial tenant offers.
- Drive Generative AI learning and development initiatives, utilizing Python, LangChain, and LangGraph to architect AI-driven application features within VSCode and GitHub environments.
- Conduct executive reviews, portfolio reporting, steering committee updates, and cross-functional delivery governance.

Product Owner - Oracle Eloqua & MarTech | TATA CONSULTANCY SERVICES

Nov 2018 - Oct 2022

- Served as Oracle Eloqua SME and Product Owner supporting global marketing technology programs and enterprise deployments.
- Led release train management, deployment planning, UAT coordination, release governance, and production support for high-visibility platform updates.
- Managed sophisticated Eloqua Campaigns, CDOs, Shared Filters, and Salesforce integrations to orchestrate seamless customer journeys.
- Partnered with global Marketing, Sales, and Operations stakeholders to gather requirements, prioritize enhancements, and define technical specifications.
- Managed platform health, governance reviews, dashboards, reporting, and operational metrics to ensure high availability and marketing automation best practices.

Project Lead - Marketing Automation | TATA CONSULTANCY SERVICES

Aug 2017 - Nov 2018

- Owned end-to-end campaign design, execution, optimization, and reporting utilizing Oracle Eloqua.
- Managed Salesforce integrations, Sitecore CMS operations, and lead nurturing workflows to drive marketing operations.
- Maintained dynamic dashboards, KPI reporting, and stakeholder governance frameworks for campaign performance analysis.

Senior UX Designer | TATA CONSULTANCY SERVICES

Jun 2015 - Aug 2017

- Designed highly engaging Digital Marketing assets, Web Experiences, and Mobile Experiences leveraging deep UX principles and Oracle Eloqua.

Senior UX Designer | HIBU

Nov 2007 - Jun 2015

- Led Digital Experience Design, HTML Email Development, Web Content strategy, and comprehensive UX Solutions across varied digital product portfolios.

EDUCATION

Bachelor of Science - Mathematics, Statistics & Computer Science
